# Welcome!

On Behalf of the Southeast Alberta Chamber of Commerce we would like to welcome you to this years Home & Leisure Tradeshow. With a diverse array of businesses and something for everyone, we are thrilled to showcase the best products, services, and technologies the region has to offer.

This weekend will host a multitude of booths, where visitors can expect to see an impressive exhibition of products and services from a diverse range of industries. From homeowner resources and renovations to professional and personal services, food, and retail, there will be plenty to discover and explore.

The exhibitors are eager to connect with visitors and offer insights on how their products and services can benefit you.

The Home & Leisure Tradeshow isn't just about business, though. There are plenty of additional attractions that make it a great experience for the whole family. Our Food Alley will offer a range of delicious options to suit every taste.

We also have a designated children's play area, with a purchase of a wrist band the little ones can have fun and burn off some energy. The play area is designed to be safe and secure, providing parents with peace of mind while their children enjoy a range of activities and games.

We want to continue to improve our service to our community and we welcome your ideas and input on future shows. Connect with us and share your feedback so we can continue to expand our shows and produce outstanding events that resonate with you, our consumer.

Please also help us in expressing thanks' to all of our exhibitors, sponsors, members, and supporters as they make this show the success that it is!

Thank you to our residents and the many visitors to our beautiful city for the ongoing support of our shows and our business community.

## Enjoy the show!

# SHUTTLE SERVICE

Forget driving around the parking lot looking for a stall close to the front doors. Park in the midway section of the stampede grounds and hop on the Y DRIVE Shuttle to be dropped off right at the door.

The shuttle is always waiting at the door to take you back to your vehicle, and there is plenty of space for your purchases!

Door-to-door service doesn't get any better than this!
